

DISEGNI DI RIFERIMENTO	
NUMERO	DESCRIZIONE
VARIE	Planimetrie Antincendio Impianti di Raffineria

The image displays an aerial photograph of a coastal area, likely a refinery site, with a large green circular overlay. Within the green circle, a technical drawing of a refinery layout is visible, showing various storage tanks, processing units, and piping. The drawing is oriented horizontally, with the tanks and units arranged in a row. The green circle is centered over the refinery layout, which is situated on a peninsula or near a coastline. The surrounding area includes agricultural fields, roads, and some buildings. The overall image is a composite of a real-world aerial view and a technical engineering drawing.
